DOES RHEUMATISM BOTHER YOU?

Many Doctors Use Musterole

So many sufferers have found relief in Musterole that you ought to buy a small jar and try it. Just spread it on with the fingers. Rub it in. First you feel a gentle glow, then a delicious, cooling comfort. Musterole rids the twinges, loosens up stiffened joints and muscles. Musterole is a clean, white ointment made with oil of mustard. It penetrates and drives the pain away, but does not blister the tender skin. It takes the place of the messy, old-fashioned mustard plaster.

Musterole is recommended for bronchitis, croup, asthma, pleurisy, lumbago, neuralgia, sprains, bruises, stiff neck, headache and colds of the chest (it often prevents pneumonia).

LAWYER DIES IN COURT.

A. E. Carroll Stricken While Awaiting Judges' Arrival.
A. E. Carroll, an attorney of No. 111 Broadway, long a well-known figure about the Criminal Courts Building, where he has defended many persons charged with the possession or use of narcotics, collapsed in the Court of Sessions today and died soon after in the Judge's chambers.

The courtroom was crowded with attorneys, defendants and witnesses, awaiting the arrival on the bench of Judge Kernochan, French and Moss, and Mr. Carroll was standing at the rail, as he had a motion to make. Suddenly he slipped to the floor. He was carried to a sofa in the room where the Judge was robing for the bench. Dr. McGuire came from the Tombs and Dr. Deane from Hudson Street Hospital, but Mr. Carroll was dead.

Mr. Carroll, who was fifty years old, lived at the Continental Hotel.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with a wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair.

HAVE DARK HAIR AND LOOK YOUNG

Nobody can Tell when you Darken Gray, Faded Hair with Sage Tea.

A well-known downtown druggist says everybody use Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.
